5) Where do I take the placement exam?

Students may type the following in their web browser to take the appropriate placement exam: placement.wittenberg.edu

6) How long does it take to receive my placement after taking the exam?

Placement exams are scored manually and may take 2 or 3 days depending on the time of year.  Once the exam is scored, students can see their placement under   Test Scores   in Self Service.

6) Does placement guarantee a class?

Placement exams do not guarantee students a space in a given class; students are welcome to consider course offerings in different languages if it helps with their scheduling.
